Title of your study goes here: concise, informative and prominently displayed

LVRMIC ID

assigned by organizers

Presenting Author[1,*], Co-author Two[2], Co-author Three[1], Co-author Four[3]

1 Department / School, Institution, City, Country 2 Department, Institution, City, Country

3 Department, Institution, City, Country

***Presenting author email: name@institution.edu**

Background

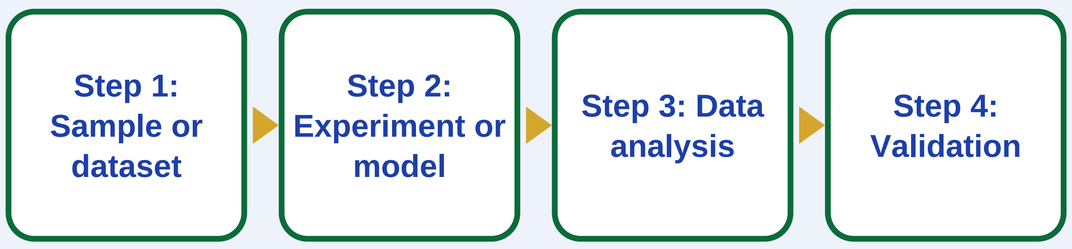

- Why the topic matters (1–2 short lines)
- What is already known and the knowledge gap
- Your research question in one sentence

Objectives

- Main objective
- Specific objective 1
- Specific objective 2

Methods

- Study design, sample or dataset
- Key experimental or computational steps
- Statistical or analytical approach

Replace with a flow chart or schematic of your workflow

Results

Figure 1: main chart, graph or image (high resolution)

Figure 1. Short, self-explanatory caption: what is shown and the key message.

Figure 2: chart or image

Figure 2. Caption.

Figure 3: chart or image

Figure 3. Caption.

- Key finding 1 (one line, with the number that matters)
- Key finding 2

Conclusion

- Main conclusion that answers your objective
- Significance and implications of the work
- Limitations or future directions (optional)

Take-home message

One clear sentence that someone can remember from 2 metres away.

POSTER PRESENTATION GUIDELINES – LVRMIC 2026

A. **General Instructions for Poster Preparation**

1. Participants must follow the official **LVRMIC 2026 poster template** available on the Conference Website.
2. Each poster will be assigned a unique Poster ID, which must be used to identify the designated display board.
3. Posters must follow the dimensions and format specified in the official template.
4. Display the research title prominently, followed by authors' names, institutional affiliations and email address.
5. Mark the presenting author with a superscripted asterisk (*).
6. Include the following sections: Introduction/Background, Objectives, Methodology, Results and Discussion, Conclusion and References (if applicable).
7. Keep the content brief, well-organised, scientifically accurate and self-explanatory.
8. Ensure all text, figures and illustrations are clearly readable from a reasonable distance.
9. Participants are advised to carry posters safely in protective tubular packaging.

B. **Poster Presentation Guidelines**

1. Refer to the official **Schedule** and **LVRMIC Participant Portal** for your designated display location.
2. Display your poster only on the board bearing your assigned Poster ID (given at the venue by the organzinig team.
3. Mount your poster within the time specified by the Organising Committee.
4. Presenting authors must be physically present during the scheduled poster presentation and evaluation session.
5. Be prepared to explain your research and answer questions from delegates and the expert jury.
6. Posters must remain displayed until the conclusion of the designated session and should be removed only as instructed by the Organising Committee.
7. The Organising Committee will not be responsible for any loss or damage to posters.

C. **Tips for Effective Poster Preparation**

1. Keep text minimal and highlight important information using visuals.
2. Arrange sections in a logical sequence for easy understanding.
3. Use charts and graphs instead of large tables of raw data.
4. Use clear, high-resolution photographs and illustrations.
5. Avoid excessive use of capital letters.
6. Limit font styles and colours to 2–3 each for a neat, professional appearance.
7. Maintain proper spacing and avoid overcrowding the poster.

Note: All participants must strictly adhere to the official **LVRMIC 2026 poster template** and the instructions issued by the Organising Committee.
